

National Resource for Imaging Mass Spectrometry
NRIMS Usage Application Form

Harvard Medical School and Brigham and Women's Hospital
65 Landsdowne Street, Suite 535
Cambridge, MA 02139
nrims@rics.bwh.harvard.edu

PART I

Date:

Principal Investigator Name, Title, Degree:

Applicant or Co-investigator Name, Title, Degree:

Department:

Institution:

Mailing address:

Telephone:

Fax:

Email:

Major Area of Research:

Human Subjects? yes no If yes: Institute:

Protocol #:

Animal Subjects? yes no If yes: Institute:

Protocol #:

Relevant research funding sources (granting agency, grant number and title, duration of the grant, principal investigator, amount of grant funds):

Project Title:

*Each co-investigator should also complete Part I of the Application Form.

PART II

For each project, please attach the following to the principal investigator's Application Form:

1. Abstract of proposed research project
2. Rationale for the proposed research (need for using MIMS)
3. Proposed experiments (including detailed protocols and methods)
4. Significance of the proposed research
5. Recent publications most applicable to proposed research

NRIMS is required to submit annual progress reports that include publications that derived any benefit from our Resource. When acknowledging the National Resource for Imaging Mass Spectrometry in publications or presentations, please cite the grant as follows: "National Resource for Imaging Mass Spectrometry is supported by a grant from the National Institutes of Health (P41 RR 14579)." Please send two reprints of each publication to NRIMS.

Please refer to the *NRIMS User's Guide* for more information.
